

Can you save my friend?

@superamit

Are you from India,
Pakistan, Bhutan,
Nepal, Bangladesh,
Sri Lanka, or Maldives?

Chances of finding a
South Asian bone marrow
match is 1 in 20,000

That's okay,
you can help too

yes

no

compared with
8 in 10
for white folk

You look
great in brown

1. Get a Q-tip,
2. Stick it in your cheekz
3. Mail it back

Join the registry
